Safe integration in workshops 40 cm protective side panels protect surrounding workplaces from radiation and spatter.

KEMPER

FilterTable

L]

Large work surface

Fully usable working area of 120 cm x 80 cm thanks to downdraft extraction.

Easy service

Particularly convenient filter change via the maintenance door on the front.

Two filter stages

Service life extension of the 16 m² main filter thanks to the aluminium mesh pre-filter.

Solid industrial quality

Robust sheet steel housing for industrial use with height-adjustable feet to compensate for uneven surfaces.
