

Mobile Filter Units

KemTex® ePTFE Spare filter 10 m²

Art. No.: 109 0438

Properties

- Easy and quick installation
- Large filter surface
- High collection capacity
- High filter efficiency
- Light, compact and stable construction

Technical Data

Filter	
Filter surface	10 m ²
Type of filter	Filter cartridge
Filter material	ePTFE membrane
Frame	Metal basket, filter medium fully glued
Foam gasket	Foam rubber sealing
Filter efficiency	> 99.9 %
Dust classification	M
Basic data	
Diameter	327 mm
Dimensions (D x H)	327 x 600 mm
Weight	5.3 kg
