SIMPLY THE BEST! SHADED EYE PROTECTION Panther Spec and Resolution Goggle

Ultra light-weight, polycarbonate, anti-fog and anti-scratch, shade 5 Gas Welding Goggles and Specs with full CE En169 approvals.

Our **Panther Specs** include an integrated nylon nose and soft PVC temple tips providing optimal comfort. They also include extendable side arms which swivel and tilt for a perfect fit and come c/w with a neck cord to keep them at hand when not in use. They offer protection against infrared emissions and projection of small metal particles and are suitable for intensive use in industry, metal fab, automotive maintenance and welding applications.
