

Mobile Filter Units

# KemTex® ePTFE Spare filter 4 m<sup>2</sup>

Art. No.: 109 0434

## Properties

- Easy and quick installation
- Large filter surface
- High collection capacity
- High filter efficiency
- Light, compact and stable construction

## Technical Data

Filter	
Filter surface	4 m <sup>2</sup>
Type of filter	Filter cartridge
Filter material	Polyester fleece, KemTex® ePTFE membrane
Frame	Metal basket, filter medium fully glued
Foam gasket	Foam rubber sealing
Filter efficiency	> 99.9 %
Dust classification	M
Basic data	
Diameter	327 mm
Dimensions (D x H)	327 x 400 mm
Weight	3.9 kg
