

General Ventilation Systems

KemTex® ePTFE Spare filter

Art. No.: 109 0447

Properties

- Easy and quick installation
- Large filter surface
- High collection capacity
- High filter efficiency
- Light, compact and stable construction

Technical Data

Filter	
Filter surface	20 m²
Type of filter	Filter cartridge
Filter material	ePTFE membrane
Frame	Metal basket, filter medium fully glued
Foam gasket	Foam rubber sealing
Filter efficiency	> 99.9 %
Dust classification	M
Basic data	
Diameter	350 mm
Dimensions (D x H)	350 x 1200 mm
Weight	11.4 kg
