

EC TYPE-EXAMINATION CERTIFICATE
EC COUNCIL DIRECTIVE (89/686/EEC)

CERTIFICATE NUMBER: 040608

Issued to: Supreme Visors Ltd

Address: Unit D5 Rofton Trading Estate
Hooton Road
Hooton
South Wirral
CH66 7NG

PPE Product: SV "Crusader Lite" Air Fed Visor, with a waist belt mounted variable flow regulator and options for the visor material (either acetate or polycarbonate). The regulator must be connected to a compatible air supply hose providing medium pressure breathable air.
This model is also known under other brand names, see attachment.
The product is described in the manufacturer's technical file reference P1112 issue 3.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the model was found to meet all of the relevant requirements of the appropriate harmonized standard EN 1835:1999 for a performance classification of LDH3.

The manufacturer's information notice (Pages 9 & 10 of the technical file) in English has been inspected and found to have addressed all of the relevant requirements of the harmonized standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

The certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive, are implemented and maintained while the model is in production.

Date of Issue: 3 June 2004

Signed:

.....
for and on behalf of SGS United Kingdom Ltd.
EC Notified Body number 0120.

SGS Reference: PPE 63397

This certificate remains the property of SGS United Kingdom Ltd to whom it must be returned on request.
