

Mobile Filter Units

Replacement filter 25 m² for SmartFil

Art. No.: 109 0675

Properties

- Easy and quick installation
- Increased safety with contamination-free filter change
- Large filter surface
- Long lifetime of filter
- High collection capacity
- High filter efficiency
- Light and stable construction

Technical Data

Filter	
Filter surface total	25 m ²
Type of filter	Safe Change Filter
Pre filter medium:	Aluminium matt
Filter material	Non-woven polyester
Foam gasket	Foam rubber sealing
Filter efficiency	> 99,9 %
Filter class	E12
Basic data	
Diameter	600 mm
Dimensions (D x H)	600 x 440 mm
Total weight	11 kg
