

GBC WELD SPACER DISCS

water soluble socket weld spacer discs

QUICK, EASY, ECONOMICAL

Just drop in a SHUR-GAP® spacer, slide in the pipe, and weld. Minimal cost per joint.

NO "THIRD HAND" NEEDED

No scribing, no holding, no clamping - Setting the 1/16 inch minimum gap required.

DISSOLVES COMPLETELY

SHUR-GAP® is made of water-soluble materials - dissolves away and flushes out by purging with water.

SAVES TIME AND MONEY

SHUR-GAP® spacers save 90% of the fit-up time and thousands of dollars in cracked weld repairs.

OTHER USAGE -Spacer for tube to header "Set-in" type connections.

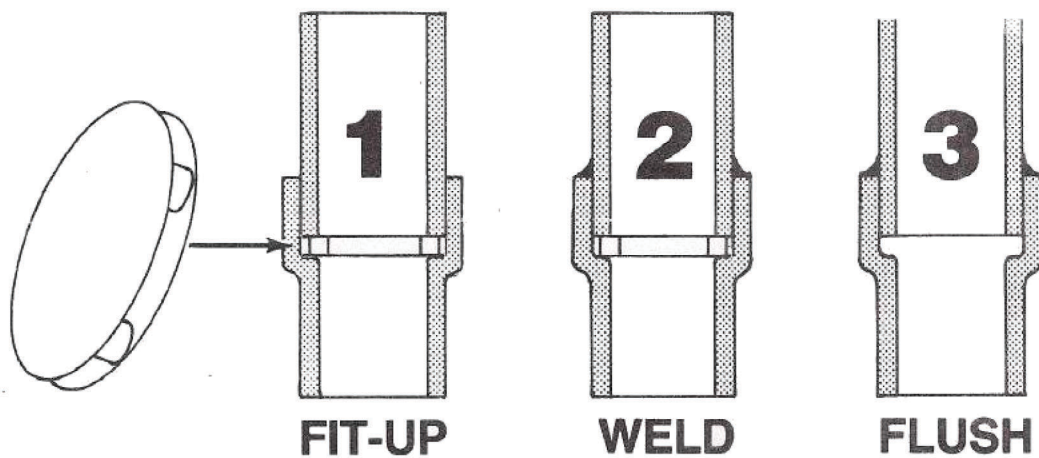

ALL SIZES AVAILABLE

SHUR-GAP's® are made to fit all common pipe sizes from 1/2 inch to 3 inches, and tubing sizes as required.
