

5 LEG GIANT JACK

Features

Ideal for large diameter pipe up to 36", B&B Giant Jacks come with V-Heads only or with multiple wheel options. The Five Leg Giant Jack has optional casters allowing pipe movement.

Increased steel dimensions throughout, including 1¾" solid Acme rod make the B&B Giant Jacks the toughest on the market.

Specifications

- Urethane over steel casters with solid hub increase safety and durability.
- 5,000 lbs. / 2,265 kg capacity without wheels and casters.
- 2,500 lbs. / 1,130 kg capacity with steel wheels and urethane casters.
